For admission in D.El. Ed. course in Punjab, applications shall be sought online from candidates and the counselling shall also be done online. Seats are allotted in various DIETs on the basis of merit in combined Entrance Test. During the process the seats allotted to the trainees may at times be far away from their home town, therefore, the department receives applications regarding migrations from various sources throughout the year. A migration policy has been framed to rationalize this process: -

- This policy has been made keeping in view the need to implement the regular migration policy of the department to ensure opportunity to the trainees in Punjab DIETs to get educational facilities near their homes
- Under this policy, the trainees studying in self financed (private) colleges affiliated with S.C.E.R.T. will not be entitled to migration.
- Under this policy, only the trainees of first year in D.El.Ed. course will be eligible for migration. The trainees of second year in D.El.Ed. course will not be eligible for migration.
- This policy will apply on mutual and single migration cases.
- Single migration will be done purely on merit basis. In case the number of applications in a category are more, migration will be done according to the merit.
- The data regarding vacant seats in DIETs will be provided by these DIETs to the Directorate of SCERT within three days from the date of last and final counselling for the purpose of admission in the First Year. As a consequence of the data regarding vacant seats, the Directorate SCERT would upload this data on the web site within seven days from the date of receipt of this data and subsequently will invite applications for migration.
- The candidates interested in migration may thereafter apply for migration online with one week from the date of Public Notice.
- Migration will be done according to the categories. That is if a general category seat is vacant in DIET then only a general category trainee will be migrated to that seat. The same applies to other categories like SC category trainee is eligible for SC category seat, BC category trainee is eligible for BC category seat, Ex Service man category trainee is eligible for Ex Service man category seat, Freedom Fighter category trainee is eligible for Freedom Fighter category seat, Handicapped category trainee is eligible for Handicapped category seat.
- In mutual migration cases, both trainees will be migrated only after receiving written consent from the concerned heads of the institution. This will also be done category wise.
- The government holds the authority to give preference to the handicapped and trainees suffering from chronic diseases.

- Students with long absence will not be considered for migration.

NO MID-TERM FILLING OF SEATS

There shall be no mid-term filling up of vacancies caused due to any reason whatsoever.

FALSE DOCUMENTS
